STAMP:

Using a 4" x 10" piece of Thick Whisper White Cardstock, stamp and punch (or trim) the following pieces:

- Daffodil Delight ink: 1 crosshatch acorn top; 1 polka dot acorn top; 1 "Thankful" banner
- Rich Razzleberry ink: 1 crosshatch acorn top; 1 "Grateful for you"
- Soft Suede ink: 3 striped acorns; 1 solid acorn; 1 "Nuts about You" acorn
- Tangelo Twist ink: 2 "Thankful" banners; 1 polka dot acorn top

SPRITZ:

- Envelopes: Open each envelope; adhere one 5-1/4" x 2" piece of Designer Series Paper to the outside of each flap. Using the matching ink color, spritz on all but the woodgrain pattern. Trim around each flap to finish.
- Cards: Adhere one 3-1/2" x 5" piece to each card front, using the matching ink color; spritz all but the woodgrain pattern.

CARD ASSEMBLY:

- Adhere a punched circle piece to each card front; assemble acorns using Glue Dots and adhere to card fronts using Stampin' Dimensionals.

BOX PIECES:

1. Place the Soft Suede strip in the Gift Bag Punch Board horizontally, lining up the left edge with the start line. Score at "side 2" and "medium."
2. Flip the paper over so the opposite end is at the start line; score again at "side 2" and "medium." You should now have four scored lines.
3. Starting with the first, line up each scored line at the "start line" and punch to create flaps.
4. Score along the top (marked "horizontal") all the way along flaps.
5. Place the paper in the Stampin' Trimmer vertically; cut 1/4" off the edge of all flaps.
6. Fold on all score lines.
7. To close the back seam evenly, roll a line of Fast Fuse along one edge; fold flat and overlap opposite end.
8. Fold flaps inward. Use Fast Fuse to seal.

Repeat steps 1–8 on white strip to create box bottom.

BOX ASSEMBLY:

- Sponge corrugated strip with Tangelo Twist ink and adhere around box top with half the strip hanging off the edge. (This creates a "lip" which will keep your box closed.)
- Adhere the long Designer Series Paper strip around box bottom using Fast Fuse.

FINISH:

- Wrap Gold Glitter ribbon around box front and secure with a Glue Dot.
- Assemble acorn using Glue Dots.
- Wrap Gold Metallic Thread around fingers to create a messy swirl. Secure to the front of the acorn using a Glue Dot; clip with a gold Metallic Clothespin.
- Place a Stampin' Dimensional behind the acorn for extra security.
